

Pathways to a Fair Europe:

Bridging research and practice to break intergenerational poverty cycles

YES Forum 2025 Annual Event & General Assembly
3 - 5 June 2025, Groningen (NL)

The **YES Forum 2025 Annual Event & General Assembly**, organised in collaboration with its member **CMO STAMM**, will bring together social and youth workers, researchers, policymakers, and young people to explore solutions for **breaking the cycle of intergenerational poverty**.

How can social and youth work contribute to building fairer futures? What insights can research offer to strengthen practical approaches? What contribution can social and youth work make to combating poverty in the Member States in the frame of the European Pillar of Social Rights? Through **keynote speeches, interactive workshops, and real-world case studies**, we will dive into these questions and share experiences from across Europe.

Join us for a **collaborative exchange** on how we can break down generational barriers and create opportunities for all!
